

A large white event tent is set up on a schoolyard. The tent is a rectangular canopy with white poles and a white fabric top. It is positioned in front of a multi-story school building with a red and beige facade. The building has many windows and a sign that reads "HAKUEN" on the upper floor. The schoolyard is paved with light-colored gravel. In the background, there are other school buildings and a utility pole. The sky is blue with some clouds.
